Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner called to inquire about claims 109-110. Specifically, examiner indicated that the Examiner's Amendment mailed 11/15/10 had claims 108 and 110 listed, but did not have a claim numbered 109. Examiner indicated he believed that this was a typographical error and that there was no missing claim. Ms. Celli called and left a voicemail indicating that she agreed, and that there was no missing claim. Examiner indicated he would renumber the claims..
